*Our internship program is perfect for anyone interested in working with youth in any capacity, especially as a teacher, educator, leader, and/or future changemaker. Come join our efforts and connect with your own sense of voice, power, and vision!*

# Deva SoulJourney

## INTERNSHIP

Deva SoulJourney internships are an opportunity for learning, growth, and transformation. Each SoulJourney is specifically designed to embody social justice programming, meaningful self-reflection tools, creative and expressive art activities and workshops, sacred share circles that build trust and encourage voice and empowerment. Tap into your own lived experience to share your wisdom and stories.

### What you can expect:

- Gain wisdom and experience to a) investigate how to transform trauma to create pathways to liberation b) explore the interconnection between trauma and identity, and c) practice body-based tools to release trauma and ultimately create a world where all have access well-being
- Receive mentoring on how to hold space for Self and the group as a whole
- Practice creating social, emotional, and physical safety for participants, rooted in culturally informed perspectives
- Camp, do yoga for anyBody, connect with nature, and create art!
- Participate in emBodied Social Justice retreat at the beginning at your internship!
